Laying the Foundation for a Brighter Future

- 2020 marked the inaugural year of the Great African Foundation (TGAF), a testament to the unwavering spirit and vision of its young founders. Though newly established in 2019, the year 2020 saw TGAF take its first steps towards empowering African youth. While navigating the challenges inherent in a youth-led organization, the team embarked on their maiden project, the "Youth Jungle Safari."
